### 3. ACHIEVEMENT CERTIFICATES.

#### "A" CERTIFICATE.

In order to fly unsupervised Pilots must be in possession of this Certificate of Achievement. It is desirable, therefore, to obtain this objective as soon as proficiency is obtained. The Instructors will record and give feed-back on candidate's progress and when appropriate make the necessary arrangements for the Test to be carried out by a BMFA Certified Examiner.

#### ***"Important note to Trainees"***

***New trainees are requested to contact the Training Officer once the Club Membership formalities have been completed. At this stage they can be entered onto our Training Register and formally advised of the dates and times when the Instructor/Instructors will be available.***

**Currently this is Wednesday afternoon/evening (4pm to 6.30pm) and Sunday mornings (9.30 am to 12.30 noon)**

**In order to make optimum use of our Instructor's time, Trainees are required to advise the Training Officer of their attendance at either or both the Wednesday or Sunday training slots. It is necessary also to advise the Training Officer if they are unable to attend.**

**This will facilitate arrangements for an Instructor to be available and avoid Instructors waiting at the Flying Field and no Trainees arrive for Training.**

*(Please bear in mind that Training is subject to weather conditions and/or Club held functions .In the case of Club events this information will be added to the Instructors Roster on the Web Site. If bad weather is the cause of Training being cancelled the Training Officer will advise those Trainees who have previously confirmed their attendance.)*

#### **"B" CERTIFICATE.**

Holders of the "A" Certificate who wish to participate are requested to advise the Training Officer by no later than the end of 15<sup>th</sup> March 2012. Please Include your email and phone contact number.

Once this has been completed an appropriate plan and roster will be compiled and posted on the Web Site.

#### **4. TRAINING CONCERNS/QUESTIONS.**

Should members have any questions or concerns please give me call or email. Contact details available under Committee members.

**Note: Whilst reference is made to Fixed Wing only, consideration will be given to Heli or Gliding assistance.**
